

CQUIN COMPLIANT RANGE

The Committee for Quality & Innovation's (CQUIN) goal is to support the health & wellbeing of NHS staff and patients, making it easier for them to make healthier choices by improving the food environment and setting nutritional guidelines for the food on offer in hospitals as follows:

- Savoury snacks are only available in packet sizes of 30g or less
- 70% of drink lines stocked must be sugar free (less than 5 grams of sugar per 100ml)
- 60% of confectionery and sweets cannot exceed 250 kcal
